

Mother's Day Walk Check List:

- One week before the event, remind anyone with outstanding pledge amounts that your event is only a few days away and you are collecting all donations.
- For income tax purposes, please review your pledge sheets to ensure complete address information has been provided by your donors.
- Even though we've ordered sunshine, please check the weather forecast to ensure you are dressed appropriately on event day.

Most importantly: before you leave the house on walk day, **PRINT your individual fundraising page showing your online total.** This way, you will receive your incentive when you submit your funds at registration.

PLEASE NOTE: Incentive awards are based on individual pledge totals only. Team totals do not apply.

Now you're ready to go have FUN!
